RESERVE POSTING 431 737 287 MAJ G.R. JENKINS
NOVA SCOTIA REGIONAL OPERATIONS RESERVE

Reference: A. Personal Letter 431 737 287 02 Jul 82 (attached)

1. Major Jenkins has served as SSO Logistics and Administration of the Nova Scotia Region Operations Reserve. He is a former Regular Force officer and has just been transferred by the Department of Public Works to Ottawa as a senior civil servant in DPW's financial section.
2. Maj Jenkins is highly recommended by Atlantic Region HQ and his Military Commander REGHQ. He would be a definite asset to any Regional duties in Ontario.
3. While aware that the Ontario Regional Operations has not organized its system based on Reservists, it is hoped that some arrangement could be made to employ Maj Jenkins in this field and administer him, perhaps through a convenient Naval Reserve Unit or Base.
4. Major Jenkins is now in the process of moving, but you may wish to contact him by letter at his home address as noted in Reference A.
5. Any help which you may wish to give him would be much appreciated.
